

To whom it may concern,
I appreciate you taking the time to read my
comments and I hope that you consider this issues
which I feel are quite significant.

As you are aware, Sinclair stations use public
airwaves free of charge, and are required by law to
serve the public interest. While I have never written
into the FCC before, I feel that one-sided programs,
like "Stolen Honor", do not serve the public interest
and are harmful to our democracy. Sinclair
Broadcasting's decision to force their stations to air
an anti-Kerry documentary days before the election
is a clear example of the dangers of media
consolidation.

Sinclair's actions show why we need to strengthen
media ownership rules, not weaken them. They
show why the license renewal process needs to
involve more than a returned postcard. Thank you
for you time.
